AMERICAN FORK Declares He Is Against Smoot Wells-Fargo Express Office Is May Be Also.

One member of the Salt Lake delegation in the next legislature has declared emphatically against Apostle Reed Smoot. This is A. L. Hamlin, one of the two men who succeeded in breaking the machine slate and getting on the ticket. Smoot has been figuring on getting him over if needed.

"Will you vote for Reed Smoot for United States senator?" Mr. Hamlin was asked.

was asked.
"No, sir." he declared emphatically.
"I will not. I don't care if you say so, either. I am ready to go on record as against Smoot."

Charles Brink of Bingham, the other man who was not on the machine slate, but was nominated and elected, is counted on by the opposition, but the Smoot-contingent hopes to land him if his vote is necessary to an election.

#### ROPER BEARS UP.

Millard County Man Who Is Not Cast Down.

Down in Millard county is at least one Democrat who does not propose to low down in meekness and humility to he Republican machine which carried the state last Tuesday. A letter re-ceived by ex-Senator Frank J. Cannon, chairman of the Democratic state com-mittee, indicates that he is determined to nail his colors to the masthead. The letter is short and to the point. It is dated two days after election, and is as follows: as follows:

San Juan county came to the front yesterday with a majority of forty-three for McDonald, giving him something like 100 in the district, with several districts missing in Grand and Emery counties. These may cut down McDonald's majority, but it is not believed they will affect the general result.

Congratulations From Smoot.

Apostle Reed Smoot has sent tele-grams of congratulation to every one of the members-elect of the legislature, as a preface to approaching them on another matter more personal to him-

ELKS' FUNERALS.—For the first time in the history of Salt Lake lodge No. Si, the members of the order will be called upon to bury two Elks in one day. Services over the remains of J. H. Brady of Ogden lodge No. 719 will be held at I Boyd's court, between Fourth and Fifth West on Second South, at It o'clock this morning. At 2:39 o'clock this afternoon there will be services at the lodge room, 59 State street, over the remains of James Cullinan of Park City lodge No. 734. MRS. CURTIS IN COURT.—Mrs. Violet Curtis, wife of J. G. Curtis of 642 West Fifth South street, charged by her husband with having four other husbands living, was arraigned before Judge Diehl yesterday morning in the state division of the city court. Mrs. Curtis entered a plea of not guilty and then sprang a sensation, when asked her true name, by replying that it was Mrs. Violet Melendy. Judge Diehl continued the case indefinitely in order to give the accused an opportunity to consult an attorney, and she was then released on her own recognizance.

THROWN FROM BICYCLE.—Miss Edith Decker, one of the clerks at the Knutsford hotel, was thrown from her blcycle at Third South and State streets last night and sustained injuries which were painful, but which are not considered serious. She had just mounted her wheel to go home and was turning the corner, when a man, also on a wheel, dashed around the corner in an opposite direction. Both riders were thrown violently to the ground and Miss Decker was removed to her home, 579 South State street, in a semi-conscious condition. A physician was summoned and the wounds dressed, but they are not thought to be dangerous. Utah Commercial and Savings Bank.

# MR. HAMLIN'S POSITION BURGLARY IN MURRAY

Broken Into and Women's Clothes Strewn About.

The baggage room and Well-Fargo express office at the railroad station at Murray was broken into some time during Friday night. Some express parcels and a quantity of baggage were stolen, but the loss is not thought to be great. The burglar gained entrance into the express office, which is run in connection with the baggage department of the depot, through a window. He then pried open the change drawer in the express department and got some small change which had been left there. He then secured two express parcels and a gold watch, which was being sent to Salt Lake. The burglar was evidently not satisfied with his haul in the express department, and turned his attention to the baggage room, where several trunks were standing. These he opened, but apparently found a few things that he was not looking for. The trunks belonged to some women who were stopping over at Murray, and the depot looked like a dry goods store that had been struck by a cyclone when the station agent opened up yesterday morning. Clothes of every description were scattered about the room, and even about the platform. Some trinkets and jewelry that had been in the trunks were gone. It is estimated, though, that the burglar did not get away with more than \$50 worth of valuables altogether. The special agent for the Wells-Fargo company went to Murray as soon as he learned of the crime, and made investigations, but no clue has been secured yet as to the identity of the burglar.

### JOINS WIFE IN DEATH.

Demise of Margaret Burrows Quickly Followed by That of Husband.

Side by side John Burrows and his wife Margaret walked through life, and almost side by side they passed through the portals of death. The bodies of husband and wife now lie together at the home, 928 East Second South street, awaiting the time when they shall be laid side by side in the grave.

For weeks the aged pair have been struggling with death. Heart disease had its grip on Mrs. Burrows and old age and general debility had left the had its grip on Mrs. Burrows and old-age and general debility had left the life of her husband hanging only by a thread. The new Twenty-first ward chapel will be opened to the public today and the new edifice will be dedicated with appropriate services. The new chapel is on the corner of First and K streets, and is a neat and comfortable house of worship. Services will be held in it each evening this week until Thursday evening inclusive. The opening service will be at 6 p. m. today. The programme for the occasion is as follows: Address, President Joseph F. RETURNS FROM FORTY-NINTH. RETURNS FROM FORTY-NINTH.

Returns from all the city districts have now been received, and they show that Frank B. Stephens is still thirty-eight votes ahead of A. H. Nash, the low man on the Republican legislative ticket. There are still seven county districts to hear from, however, and these are likely to change the result. The vote now stands: Stephens, 10,257; Nash, 10,219. The Fortyninth district came in yesterday. It gives Nash 142 votes and Stephens 139. Emery, for sheriff, received 159 votes to 136 for Naylor. The Ninth gives Nash 175 and Stephens 129.
